

CITY OF HAYWARD
AGENDA REPORT

AGENDA DATE 12/11/01

AGENDA ITEM 4

WORK SESSION ITEM _____

TO: Mayor and City Council

FROM: Director of Public Works

SUBJECT: Pavement Rehabilitation Traffic Congestion Relief Program (TCRP):
Approval of Plans and Specifications and Call for Bids

RECOMMENDATION:

It is recommended that the City Council approve the attached resolution that approves the plans and specifications for the Pavement Rehabilitation (TCRP) project and calls for bids to be received January 22, 2002.

BACKGROUND:

This project is to rehabilitate pavement on streets shown on Exhibit A and listed on Exhibit B. The selection of streets for rehabilitation is based on staff's analysis of the pavement condition indices identified through the City's computerized Pavement Management Program along with field examination. Pavement rehabilitation in this project consists of making deep-lift asphalt concrete spot repairs and placing an asphalt concrete overlay on the various streets. This expanded maintenance program is made possible by funding received under the Governor's Traffic Congestion Relief Program. In addition, this project will build an asphalt concrete pedestrian path at Walpert Street and pave an additional section of airport taxiway.

The project is categorically exempt under the "Operation, Repair, Maintenance, or Minor Alteration of Existing Facilities" section of the California Environmental Quality Act Guidelines.

A combined goal of 7 percent for Disadvantaged Business Enterprise (DBE) and Women-Owned Business Enterprise (WBE) participation has been set for project. The appropriateness of this goal was established through an evaluation of available subcontracting opportunities for this project.

PROJECT COSTS:

The estimated project costs are as follows:

Pavement Repair/Rehabilitation-Contract Construction	\$ 799,000
Detector Loops Replacement	20,000
Re-striping (City Forces)	40,000
Tree Trimming (City Forces)	10,000
Design and Administration	80,000
Inspection and Testing	80,000
Total	<u>\$ 1,029,000</u>

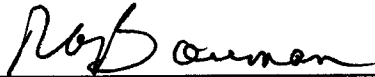

FUNDING:

The 2001-02 Capital Improvement Program includes \$924,000 of TRCP funds in the Gas Tax Fund, \$60,000 in Measure B Tax, which was used for design, \$45,000 Airport Capital Improvement Funds for the Airport paving, and \$33,000 in the Capital Improvement Fund for the Walpert Avenue Pedestrian Parkway, for a total of \$1,062,000 for the project.

SCHEDULE:

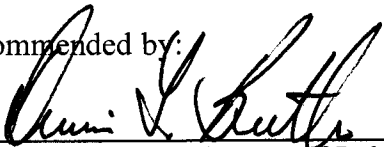

Receive Bids	January 22, 2002
Award Contract	February 19, 2002
Begin Work	April 16, 2002
Complete Work	July 16, 2002
